

EnergySmart PSA Contest

November 5th - December 15th

Spread the word about how to save energy at home, at school, and around your community by creating your own **Public Service Announcement (PSA)**! In Nevada, many of our homes are powered by electricity or natural gas, so be sure to include energy saving tips for both. Get creative, have fun with it, and impress the judges with your ideas for conserving energy!

Eligibility and Guidelines

- Nevada students who attend schools within Southwest Gas service areas & are in grades 6-8 are eligible
- Individuals or groups of up to four students can take part
- Your PSA cannot be longer than 2 minutes and must be uploaded and submitted through our Google Form (<https://tinyurl.com/EnergySmartPSA>) by **December 15th**
- All submissions must include a talent release form signed by a parent/guardian
