

Rewarding Results

Reward Your Students

- Students have the chance to win a prize during the Energy Efficiency presentation at their school! This prize will identify them as an individual who will Take Action to save energy and the Earth!
- Students will receive a Take Action Kit with energy efficient items for their home.
- If students cannot use an item, they may give it to a neighbor or friend living within the Southwest Gas service territory.
- Giving a completion grade or extra credit may encourage students to complete the worksheet.

Reward Yourself

Earn a \$50 Amazon eGift Card when 80% of your classroom completes the Home Energy Worksheet by June 7th, 2019.
